"It was taught in the name of Rabbi Yehoshua: The poor person [standing at the door] does more for the householder than the householder does for the poor person." Leviticus Rabba 34:8; Ruth Rabba 5:9 [ancient Jewish sacred texts]

Rarely does opportunity come to our door.

There are so many people hurting in this world -- disease, poverty and, especially now, refugees. More people removed from their homes than ever before in history. They are all looking for a home.

Of the 26 million refugees, each has a story. Most are quite moving.

When the United States was at war in Afghanistan, there were many Afghans who helped us -- translators, cooks, etc. They took risks to help America. Now that the Taliban is in power, their lives are endangered. The United States took over 100,000 Afghans out when we left. Many are living in hangars on bases throughout the world -- mostly in Texas.

We have an opportunity to help settle one family in South Windsor. To do this, we are partnering with St. Peter's Episcopal Church, First Church (South Windsor), First Church (Windsor) and the South Windsor Lions Club.

Welcoming strangers is at the heart of our faith. When we do, we become a holier community.

Shalom,

Rabbi G.

## THE PRESIDENT'S CORNER

TBH Family,

I have a few major updates for you this month:

First, I'd like to make you all aware that there is a planning & zoning application pending for the 30-acre property that is adjacent to our back parking lot at TBH. The plans that have been filed with the Town are for a 360,000 sq ft distribution facility with 54 truck loading docks, most likely for an ecommerce company. I assure you that the Board has been tracking the progress on this project, attending town commission meetings, and reviewing the plans with architects and engineers. Many of the Temple's residential neighbors are upset about this project, and we have been in contact with some of them as well.

The plans do include a significant buffer between our properties including a fence and a large berm with trees. The traffic regulations will also require all trucks to go west on Governor's Highway toward Route 5, and not past TBH. There are a few items that we are addressing with the developers and there will certainly be some noise and lighting impacts on us both during and after the project's completion. But for the most part we don't have major concerns, and we expect that the project will ultimately be approved by the Town. Construction will likely take about a year.

I'm happy to discuss this further if anyone has additional concerns, but otherwise the Board will be sure to keep everyone informed if there are any significant updates on this topic.

Second, you may have heard that TBH hosted a presentation from an organization called IRIS last week about placing Afghan refugee families in CT communities. You can read more about their community co-sponsorship model on their website, [www.irisct.org](http://www.irisct.org). IRIS informed us that nearly 100,000 refugees who are currently living on U.S. military bases need to be placed in the next 3 months! In a beautiful show of community solidarity, several area organizations attended and pledged either time or money towards welcoming a refugee family into South Windsor. More information about what is needed and how to get involved will be shared by our Social Action committee later in this newsletter.

I have great news about November 22nd – the Interfaith Thanksgiving Service is back, and will include in-person socializing! Planning is still underway so the details are forthcoming but definitely mark your calendars and stay tuned for this annual favorite event.

The last item I'd like to mention is that the Men's Club is sponsoring an outdoor work day on Sunday, November 7th at 9 a.m. We will be tackling a number of projects, from cleaning out the garden beds to installing new walkways. Please come lend a hand if you are able!

Hope to see many of you over the coming weeks!

B'shalom,

Adam Kaprove

## CORONAVIRUS TASKFORCE UPDATE

Hello from your TBH Coronavirus Task Force,

In light of South Windsor and many surrounding towns dropping the indoor mask mandate for vaccinated individuals, we are sending a special communication to the congregation to address that point and reinforce our approach.

TBH has always been cautious with the pandemic so, for the time being, we still require **masks to be worn indoors by everyone**, regardless of your vaccination status. However, we will continually keep an eye on the rates of infection and numbers of covid cases in our region.

In the Task Force's November meeting, we will again review the mask requirement in the hopes of removing it following Chanukah. When we feel it's in everyone's best interest to change our protocols again, we will of course communicate with you without delay.

We also want to use this opportunity to update you about Schmoozing on Shabbat! Starting on Friday, November 5th, we'll resume indoor socializing (in masks) while continuing to offer a light nosh outside (weather permitting).

We all look forward to seeing you at services!

Respectfully,

Phil Maltz, [pmaltz@tbhsw.org](mailto:pmaltz@tbhsw.org)

## SOCIAL ACTION

### [Come to Monday, November 1<sup>st</sup> Meeting at Temple](#) [Re: Plans for Afghan Refugees Resettlement](#)

In the coming months, many Afghan refugee families will be resettled in Connecticut to start new lives. Most of these resettlements efforts are being led by faith-based groups, working through a national organization, IRIS (Integrated Refugee & Immigrant Services) to together “co-sponsor” families. Rabbi Glickman, local clergy, community leaders, and our TBH Social Action Committee have been involved in this *fast-moving project* to determine out how we can help to cosponsor a family here. At the end of October, Chris George, Executive Director of IRIS (Integrated Refugee & Immigrant Services) spoke at TBH to Temple members and local residents. Since then, more small group planning has taken place.

Now that we know the basics, **this Monday, November 1<sup>st</sup> at 7 p.m., you are invited to a planning meeting at our Temple** with other local organizations interested in partnering with us.  
***All TBH members are welcome, and if you have friends who would like to help, please invite them to join you.***

**This can be a life-changing experience, both for the family we help, and for all of us as well. We are learning more every day.** If you have any early questions, please contact Rabbi Glickman ([Rabbi@tbhsw.org](mailto:Rabbi@tbhsw.org)) or Laura Soll-Broxterman, [LSoll@tbhsw.org](mailto:LSoll@tbhsw.org).

## SOCIAL ACTION CONT.

### [Want to Visit to Our Shema Tour Church?](#)

It has been almost two years since our congregation selected Archbishop Dexter Burke and the Walk in the Light Church in Hartford's North End as our Shema Tour partner. As you know, thanks to the generosity of our members, the Archbishop and his parishioners have rolled up their sleeves and did many needed repairs and renovations to the sanctuary and its temporary housing on the lower level. If you would like to see it with your own eyes, Laura Soll has offered to drive several members over at a time to meet with Dexter. To schedule a time to visit, please contact Laura at [Lsoll@tbhsw.org](mailto:Lsoll@tbhsw.org) or call 860-688-4499.

### **Food Collection is December's Top Priority** for Walk in the Light Church of God

**With cold winter weather and the holidays coming**, here are our December collection priorities for our Shema Partner, the Walk in the Life Church of God, are:

- **Our Top Need: Nonperishable Canned and Boxed foods** – consider items that might make the holiday season a little brighter.
- **Next most-needed: Baby Formula and Personal Toiletries** such as toothbrushes, deodorants, and feminine hygiene products.
- **As always, cleaning products** like bleach, Fabulosa, and paper towels for keeping the church safe for congregants.
- **Monetary donations to our Social Action Fund are always welcome so we are able purchase specific needed food items** – especially during emergency situations.
- **We now welcome warm new or gently used winter clothing** for adults and children.

**You are welcome to bring donations of food, personal hygiene products, and cleaning supplies to any indoor or service or event.** Collection baskets and bins are ready for you. Or a Temple member can arrange to meet you if you want to directly give us items.

As always, you also can **make Monetary Donations toward our Temple's Social Action efforts and purchase of food and other items:**

**Checks** can be made out to *Temple Beth Hillel* and mail to the Temple.

**To Donate via Credit Card**, call Lori in the office at 860-282-8466 Ext. 0.

## TEMPLE BETH HILLEL TO HOST NOVEMBER 22 INTERFAITH THANKSGIVING SERVICE

**All Greater Hartford residents are invited** to a special in-person and on-line community, led by local clergy members of different faiths. On **Monday, November 22 at 7 p.m.**, **Temple Beth Hillel at 20 Baker Lane in South Windsor** will host its annual **Interfaith Thanksgiving Service**. The free event will be held at the Temple and also can be viewed live on the Temple's website ([www.TBHSW.org](http://www.TBHSW.org)) and Facebook page ([www.facebook.com/TBHSW](http://www.facebook.com/TBHSW)). It will feature inspirational readings and comments, music, and songs.

"Our Interfaith Thanksgiving Service has become a wonderful community-wide tradition, featuring spiritual leaders from a variety of houses of worship in South Windsor and beyond who present different portions of the program," explains Rabbi Jeffrey Glickman of Temple Beth Hillel. "It is an opportunity to showcase how America's treasure is the way we celebrate diversity."

"When I pray in an interfaith community, I am strengthened and lifted up by the truth that I am not alone," says the Temple's Cantor Scott Harris. "It is a presence that reminds us that we are here for each other, and with each other."

People do not need to belong to a house of worship to attend and no reservations are needed. For more information on the Interfaith Service or on Temple Beth Hillel, call 860-282-8466 or visit its website at [www.tbhsw.org](http://www.tbhsw.org).

## CLEAN-UP DAY

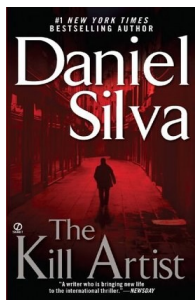

The Men's Club will sponsor a fall TBH property cleanup for **Sunday, November 7th**. Religious School parents are invited to help. **We will start at 9:00**, but understand you may want to join after dropping off your children and participating in tefillah. We will have water and coffee available.

Tasks will include removing grass/weeds, pruning branches, removing leaves from the roof, resetting gutters, replacing the roof on the shed, installing a new light and a few other things. Work gloves, comfortable work shoes and weather appropriate attire are definitely recommended. If you have any of the following, please bring them with you: shovels, wheelbarrows, rakes, edgers, ladders, drills, mallets, clippers, loppers.

Questions? Contact [ewidofsky@gmail.com](mailto:ewidofsky@gmail.com)

## BOOK CLUB

The next book club will meet at Temple on Tuesday, November 9, at 1:00 pm .... The book this month is " **The Kill Artist**", by **Daniel Silva**. Gabriel Allon had a simple but brutal job: he tracked down and eliminated Israel's terrorist enemies. But when his wife and son fell victim to the danger that accompanied him everywhere, Gabriel quit and devoted himself to the work of art restoration, an occupation that had previously been a cover for his secret assignments.

Come join us!  
Barb Klein

## CHANUKAH SERVICE

Join us for a special Chanukah Service on Friday Evening, December 3 At 6:45pm. Bring your *Chanukiot* and we will light the candles and welcome in Shabbat. All are encouraged to come and celebrate together.

## MODIFIED ONEGS RETURN

Anyone who has ever attended Shabbat services pre-pandemic can recall the lovely Onegs set out in the social hall and the time spent catching up with friends and welcoming new members. While we cannot fully re-create that experience right now, we can socialize safely and enjoy tasty goodies as part of our Shabbat evening worship. We encourage all who attend services to spend time in the social hall after the service, doing what one does in a social hall, socializing! We will wear masks and observe social distancing, but we can talk, catch up on the week with friends and welcome Shabbat in a way that is meaningful, nurturing and warm.

Food will continue to be available, to be consumed outside. If weather permits, have a nosh on the patio or take it home for later. We will be providing more kinds of yummy desserts, commercially prepared and individually packaged. Beginning on November 5th, congregants can again sponsor a kiddush, for \$36, which will cover the costs of all refreshments. We hope that congregants attend the service that they sponsor! Please contact Lori in the office to sign up to sponsor a kiddush.

The board, RPC and the Coronavirus Task Force will continue to assess the ways in which we can come together for safe, meaningful worship and social connections. This is a step in that process and we look forward to taking this and many more steps with you!

See you at services!  
TBH Board of Trustees

## ADULT ED

There will be an adult education program for **Sunday, December 5 at 7 PM**. This is actually a multi part program.

First, watch a movie your own time **"Mistletoe and Menorahs."** It is a lighthearted, fun and entertaining Christmas/Hanukkah story starring *Kelley Jakle*. *Toy company exec, Christy, must learn about Hanukkah in order to land a big account, so she enlists help from Jewish Jonathan, who must make his bachelor pad a Christmas Wonderland to impress his girlfriend's father.* Here is the link to the movie. It's free!

<https://play.mylifetime.com/movies/mistletoe-and-menorahs>

During the morning of December 5, we will distribute goody bags for those people who wish to participate in the program.

The **evening of December 5 at 7 PM, we will have a discussion group called "The December Dilemma."** We will feature families from our temple who are intermarried and/or converted who will talk about their relationships between themselves and among their extended families; how they decided to raise their children Jewish; how they address religious holiday celebrations with their extended families, and many more interesting and varied decisions, points of view, social nuances and cultural diversity. The link to the zoom program is as follows: [Meeting ID: 875 5884 5745](#).

## Why We Left a Legacy

Our history, our values, and our people have always lived on the edge of vanishing from this earth. The reason we are still here is our bond as Jews. We draw strength from our traditions and our communities. This is why it was so important for us to commit to the future of our congregation, just as we support it in the present.

### TORAH PORTIONS

**TOLDOT- Genesis 25:19-28:9-** *Toldot* tells us the story of the birth of Jacob and Esau and their struggle for the birthright and blessing of their father, Isaac. We also learn about Isaac's trials and difficulties in the land of Canaan. The portion concludes with Jacob's deception of Isaac in order to procure the family blessing.

**VAYETZE- Genesis 28:10-32:2-** This portion tells the story of Jacob's flight from his brother Esau, his vision at Bethel, his employment with his uncle Laban and his marriage to the two sisters, Rachel and Leah. Jacob's double marriage results in a baby-bearing contest that gives him eleven sons. At the end of the portion, Jacob leaves Laban and returns to the land of Canaan, but not before Laban tries to stop him.

**VAYISHLACH- Genesis 32:3-36:43-** The portion follows Jacob's adventures in the land of Canaan, including the loss of his beloved wife, Rachel.

**VAYESHEV- Genesis 37:1-40:23 -** Despite the portion's name and first verse, the story is actually about Jacob's son Joseph and how he was removed from the land of Canaan and dwelt in Egypt. The narrative follows Joseph from Canaan to Egypt to prison. In addition, this week's reading contains the story of Judah and Tamar.
