Tu Bishvat is around the corner. It is the reminder that summer will actually return. The omen is in the trees which start their sap flowing.

Often on Tu Bishvat (the birthday of the trees), we read about Honi the Circle Maker, and how it is important to plant for future generations. However, we don't often finish the story, which has a deep meaning about life and companionship.

Shalom,
Rabbi G.

Talmud, Taanit 23a:

One day, Honi was walking along the road when he saw a certain man planting a carob tree. Honi said to him: This tree, after how many years will it bear fruit? The man said to him: It will not produce fruit until seventy years have passed. Honi said to him: Is it obvious to you that you will live seventy years, that you expect to benefit from this tree? He said to him: That man himself found a world full of carob trees. Just as my ancestors planted for me, I too am planting for my descendants.

Honi sat and ate bread. Sleep overcame him and he slept. A cliff formed around him, and he disappeared from sight and slept for seventy years. When he awoke, he saw a certain man gathering carobs from that tree. Honi said to him: Are you the one who planted this tree? The man said to him: I am his son's son. Honi said to him: I can learn from this that I have slept for seventy years, and indeed he saw that his donkey had sired several herds during those many years.

Honi went home and said to the members of the household: Is the son of Honi HaMe'aggel alive? They said to him: His son is no longer with us, but his son's son is alive. He said to them: I am Honi HaMe'aggel. They did not believe him. He went to the study hall, where he heard the Sages say about one scholar: His halakhot are as enlightening and as clear as in the years of Honi HaMe'aggel, for when Honi HaMe'aggel would enter the study hall he would resolve for the Sages any difficulty they had. Honi said to them: I am he, but they did not believe him and did not pay him proper respect. Honi became very upset, prayed for mercy, and died. Rava said: This explains the folk saying that people say: Either friendship or death, as one who has no friends is better off dead.

THE PRESIDENT'S CORNER

TBH Family,

The news these days can be scary. Every day, it seems like something is being cancelled, someplace is in crises, somebody thinks somebody else is on the wrong path.

As President, I'm also privy to news about other URJ congregations and regional Jewish organizations. As you've often heard me say from the bimah, there's no shortage of opinions or approaches from these groups about how to deal with the constantly-changing COVID-19 situation. Some organizations have shut down their buildings and returned to fully-remote for all events. Others are demanding proof of vaccination in order to participate in-person.

I'm proud to say that we are holding steady with the existing plan from our COVID Task Force. The building remains open for all events and activities except for eating. Masks are required for everyone except the clergy when they are on the bimah. Vaccines are definitely encouraged, but documentation is not necessary. Live streaming will continue, and we are still recruiting volunteers to help run Zoom again for those who prefer it. (Email Jeff Levin jlevin@tbhsw.org to volunteer!)

This allows us to continue to offer all the spirituality, services, education, and community as we've always done, while keeping everyone safe and connected. And as far as we're aware, there has not been a single case of COVID transmission at TBH with this approach. Don't take this for granted – it means lots of people are all doing their parts to follow the rules to help protect our community. To each of you: Thank you!

Read on in this month's newsletter to learn more about our new members, our new Torah study class, our new door lock system, our latest b'nai mitzvot, the latest Social Action and Book Club updates, how to sponsor an Oneg, and more!

L'shalom,

Adam Kaprove

CORONAVIRUS TASKFORCE UPDATE

Hello from your TBH Coronavirus Task Force,

This is a short update to keep the congregation informed of our ongoing monitoring of the pandemic. We're closely following the increased rates of infection across the country, in Connecticut, and in our neighboring towns. TBH's health and safety measures will remain unchanged for the time being, and we anticipate them staying the same through January.

We are also working with our Clergy, Religious Practices, and Religious School to help them prepare for Purim, Passover, and of course our upcoming b'nai mitzvot. Services, Religious & Hebrew School, and Schmoozing on Shabbat are still happening and we hope to see as many of you as possible.

Please do not hesitate to contact us if you have any questions or concerns.

TBH Coronavirus Task Force

TBH Key Fob Informational Letter

Temple Beth Hillel is installing a new **Key Fob System** to improve the safety and security of our congregation.

We're offering one fob per family as an **optional**, **zero-cost** benefit to our **Members living in Connecticut**. A key fob is small device that sits on your key chain and lets you unlock the doors on your own. Simply **tap the sensor by the door and you're in!**

There is **no risk of setting off the alarm!** Fobs will only unlock the doors *after* someone has disarmed the system. This means you can use your fob during services and events along with other Temple members.

The new system lets us keep our outer doors locked for better security, while our building remains **open and welcoming to all**. And if you choose not to have a fob, no problem! Ushers will be there for you.

If you would like to receive your free and optional fob, please stop by the Temple office during normal business hours (8am-2pm Mon, Tues, Thurs, and Fri) or schedule a time before Shabbat on Friday evening. If you are a Religious School family, we will have them available during school times on Tuesdays and Sundays. Unfortunately, we can't put them in the mail so **please come on down!**

Lastly, if you happen to have a key to the building, please drop it off with Lori at your convenience. We are re-keying the locks so they won't work as of January 2022, but your new fob will replace the old keys. We are here if you have any questions. Please reach out!

Keep Us Connected – Zoom Volunteers Needed!

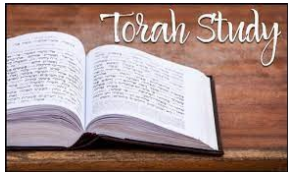

We've heard you – many members don't feel comfortable coming to in-person services yet and feel that the live streaming doesn't give the same sense of community as Zoom.

However, in order to bring back Zoom, we need 6 volunteers who would be willing to take turns running the Zoom meeting from the sanctuary once a month.

These volunteers would go through a short 30-minute training about the Zoom equipment and setup we're using. We have made it very straightforward – anyone who has moderate computer skills will be able to do this!

If we don't get enough volunteers, we will not be able to offer Zoom. If you are interested in helping keep our community connected, please let Jeff Levin know at jlevin@tbhsw.org as soon as possible.

JOIN OUR LEGACY SOCIETY

Thank you to everyone who has already signed a Letter of Intent and has left a legacy to Temple Beth Hillel!!! Because of you, we are only three Letters of Intent away from our first \$5000 bonus! Yes! This means we have 15 signed letters of intent towards our first year's goal! We only need three more people to sign Letters of Intent to get our bonus for this year. It is easy! All you have to do is fill out a simple 1 page form pledging to leave a future gift to Temple Beth Hillel ([click here for form](#)). There is no out-of-pocket expense required in the present! After completing the form and sending it to the TBH office, you then will have one year to fulfill your commitment.

The gift you leave can be through a will or trust, designation of a beneficiary on a life insurance policy or a retirement plan, through a special charitable annuity, or by writing a check to TBH. All realized gifts will be placed in an endowment to assure Temple Beth Hillel exists for future generations.

Join us! Please become one of the next three people to commit to assuring the future of Temple Beth Hillel and join our Legacy Society!

SOCIAL ACTION

Shema Tour Partner & Food/Items/Clothes Collections

Hope you all are enjoying a peaceful start of 2022.

We want you to know that **TBH has decided not to host a January Shema Tour bus trip this coming MLK Jr. Day.** With health safety in mind, we are aware that many members will not want to board a bus and travel to several organizations in **just 3 weeks from now.** And **it also is a challenge to find nonprofit organizations** who will open their doors to a busload of people for a tour, discussion, and lunch. So **we are postponing this important event (and TBH tradition)** until later this year, when it will be more successful and meaningful.

However, January and February still offer TBH members opportunities for community Social Action outreach.

- 1) With **COVID numbers rising, THE WALK IN THE LIGHT CHURCH OF GOD's community needs our support** of food, \$10 gift cards, and warm winter outerwear more than ever. It also is **a site for vaccinations and boosters shots for Hartford's North End residents.** **We continue our support** this church in the months ahead and remind our member they can drop off items to Temple as **our collections in the lobby have dwindled over the past few months.**

You are welcome to bring donations of items to any indoor or service or event. Collection baskets and bins are ready for you. Or a Temple member can arrange to meet you if you want to directly give us items. **Needed most:** Nonperishable canned and boxed foods, baby formula/diapers, personal toiletries, household cleaning products. new or gently used winter clothing for adults and children.

As always, you also can **make Monetary Donations toward our Temple's Social Action efforts and emergency purchases of food and other items:**

Checks can be **made out to Temple Beth Hillel** and mail to the Temple.

To Donate via Credit Card, call Lori in the office at 860-282-8466 Ext. 0.

Questions? Please contact Laura Soll-Broxterman at 860-688-4499 or Lsoll@tbhsw.org

- 2) We are hopeful that by February/ March, the **SOUTH WINDSOR REFUGEE ALLIANCE** (which many of members are involved with) will be chosen to **host an Afghan refugee family.** (see article below)
- 3) We are collaborating with Archbishop Burke to learn whether he's doing a **possible virtual MARTIN LUTHER KING, JR. DAY service** we could participate in....**more to come on this.**

SOCIAL ACTION

Update on South Windsor's Efforts to Co-sponsor an Afghan Family

Dozens of TBH members have been working with our neighbors of other faiths in the hopes of helping to resettle an Afghan refugee family in South Windsor. Our initiative, the **South Windsor Refugee Alliance (SWRA)**, is partnering with **New Haven-based IRIS CT** (Integrated Refugee & Immigrant Services) to “co-sponsor” a family. Rabbi Jeff and Mindy Glickman, local clergy, community leaders, and our TBH Social Action Committee have been involved in this effort that is comprised of a dozen committees focused on locating housing, helping the family find employment, education, healthcare, and much more.

Due to large quantity of refugees to be placed in various Connecticut cities/towns, the resettlement process is taking more time than originally expected. But **we are very hopeful that a family will be relocated in South Windsor within the next two months...sometimes, there is less than one week's notice.**

So, we welcome and need your input now, even before the family arrives. Please tell us if you know of:

- **Rental apartments or houses on a public transportation line.** Contact [Rabbi Glickman](#).
- **Employers** who would hire someone who doesn't speak English. **Contact** TBH member Emily Cobbs.
- **TBH volunteers who can drive the family to appointments** in the first months after they arrive. **Contact** [Laura Soll-Broxterman](#)
- **Individuals who speak Dari/Farsi or Pashto** who could help with occasional interpretation needs until the family is more conversant in English. **Contact** [Laura Soll-Broxterman](#)

Our South Windsor planning also is responsible for raising funds to help with basic needs during the family's first months. This includes rent, food, utilities, transportation needs, and more. **You can send a donation now OR make a pledge to help once the family arrives.**

Make checks payable to: St. Peter's Episcopal Church (SWRA in the memo line), and mail to: 99 Sand Hill Road, South Windsor, CT 06074. **To make a pledge, contact** TBH member [Dianne Aborn](#). Thanks to all who have contributed already.

NOTE: Until we know how many are coming, we will not collect any clothing, furniture, or household items.

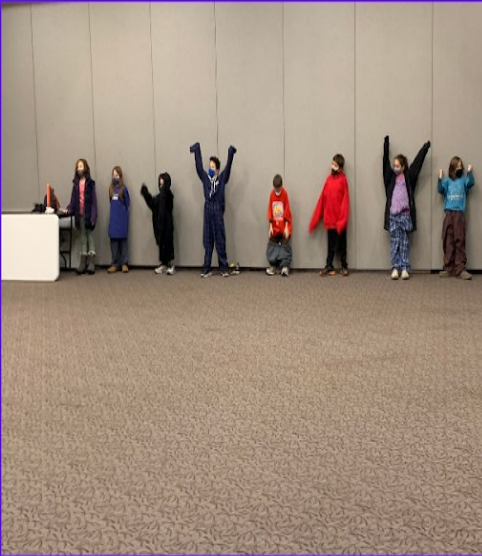

This can be a life-changing experience, both for the family we help, and for all of us as well. We will keep you posted on new developments. If you have questions, contact Rabbi Glickman Rabbi@tbhsw.org, or Laura Soll-Broxterman, LSoll@tbhsw.org.

RELIGIOUS SCHOOL UPDATE

Recently our 3rd and 4th grade religious school students, along with their families, were invited to participate in an evening Shabbat service. This was a great way for the kids to get experience speaking from the bimah, and for our congregation to get to know some of the faces in our school! Since the Torah portion was related to the clothes we wear, students and their families played a relay game using oversized clothing from their parents. The parents had as much watching as the kids did participating! It was a fun evening for all.

We hope to see many of you at our next Participatory Shabbat, for grades K-2, at morning Shabbat service on February 12th!

Spotlight on B'nai Mitzvah

My full name is **Lilith Rose Moylan**. My parents are Michele and Rick Moylan. My Bat Mitzvah date is **Saturday, January 22**, My Mitzvah Mates were Barb and Al Klein. I didn't do a specific tzedakah project, but I am involved in a lot of community service, such as clean-ups of local areas and food drives. I am currently working on a food drive to help the victims of the tornadoes in Kentucky. I choose projects like this because I like to help people in need.

I currently go to Middle School and am a madricha at synagogue and am active in Scouts. When not involved in school, synagogue, or community service, you might find me playing the violin, drawing, writing, playing with animals, or reading.

MAZEL TOV!!

Zorah Miriam Widofsky will be celebrating her Bat Mitzvah on **Saturday, February 5**, Zorah is the daughter of Eddie and Macy Widofsky. Her official Mitzvah Mate is Sherry Skott, but most of their activities have also happily included Mike and Danielle. Zorah is interested in working with a homeless shelter, as she feels very fortunate to have a lot of things in her life, and wants to help those who are less fortunate. She anticipates getting involved in the partnership between TBH and Hands on Hartford as the year progresses, and is excited to learn how rewarding it can be to help out others.

Zorah is currently a 7th grader and enjoys acting in school plays. She is an avid reader and artist, and one of her drawings was recently chosen by the Hartford Superintendent for her annual holiday card. Zorah loves playing softball, and typically plays pitcher and first base for her Little League team. In the summers, Zorah travels down to Mississippi to attend URJ Jacobs Camp, where her parents spent their summers growing up.

Why I Left a Legacy

Temple Beth Hillel is the place where I know I'll always have "family", and it has been for me since the merging with Congregation Beth Ahm several years ago. It's an ongoing source of spiritual and emotional support, a haven for celebrating and observing meaningful rituals, and the foundation of quality religious education for congregation members of all ages.

I'm proud to have committed to a Life & Legacy Gift, and to serve on our Temple Board to help ensure a solid future for years to come.

TORAH PORTIONS

BO— Exodus 10:1-13:16 —The portion begins by concluding the narrative of the ten plagues, the tenth of which is the slaying of the firstborn. To avoid the plague, the Israelites are given the instructions for the Passover sacrifice and the laws of the Feast of Unleavened Bread. Pharaoh finally consents to let Israel go, and they leave Egypt.

B'SHALACH—Exodus 13:17-17:16—The reading tells the adventures of the Israelites as they leave Egypt, cross the Red Sea, receive miraculous provision in the wilderness and face their first battle.

YITRO—Exodus 18:1-20:23—The portion tells the story of Jethro's visit to the camp of Israel, then relates the great theophany at Mount Sinai, where God gives Israel the Ten Commandments and invites the people to enter a special covenant relationship with Him.

MISHPATIM —Exodus 21:1-24:18 The first three chapters of this Torah portion deliver a legal code of laws and commandments that form a nucleus for the Torah's laws. The last chapter tells the story of how the people of Israel consented to keep these laws and entered into a covenant relationship with God through a series of rituals conducted by Moses.
