

HILLEL HAPPENINGS

FROM THE RABBI'S STUDY

God is on the side of freedom.

The broken nation only knew slavery for all of their lives. Parents, grandparents and great grandparents had any sense of freedom beaten out of them but, God heard their groans. With an outstretched arm and wonders, God liberated them and took them to be a redeemed people, under the care of God.

This is a powerful story which inspired every generation for over three thousand years. Lest you question its relevance, just look at the people of South Sudan, Syria, Afghanistan and Ukraine.

This year, when you open the hagadah and begin the Seder, realize that this is not a story of yesterday. This is a story of today....

...as it has been every year since we crossed that sea towards freedom.

Happy Passover,
Rabbi G.

THE PRESIDENT'S CORNER

TBH Family,

It was wonderful to see a number of you at our Purim festivities in March! Although the weather didn't cooperate with our outdoor plans, the Megillah reading was a great success (with 30+ readers!), the Youth Committee put on a fun carnival with games and prizes (and pizza!), and everyone got some home-made hamantaschen thanks to our volunteer bakers!

I'd also like to reiterate a few items that you've all received in your email recently:

- Masks are now optional for everyone, but strongly encouraged if you are not vaccinated. Indoor onegs after services will resume on Friday 4/8.
- We had a handful of people volunteer to learn how to run Zoom for Friday night Shabbat services, but Jeff Levin would be more than happy to train a few more to help ensure coverage! Please reach out to him at jlevin@tbhsw.org.
- The Nominating Committee is finalizing the list of volunteers to be elected as the newest members of the Board. We still have a couple open spots – Secretary and Development specifically – and would love to have a few folks step forward to help us with this very important work. Please contact Marla Adelsberger at Madelsberger@tbhsw.org.

Read on in this month's newsletter to learn about the upcoming plans for Passover on 4/15, the latest updates from Social Action, the Men's Club Spring Fling on 5/21, the latest book club picks, how to sponsor an Oneg, and more!

L'shalom,

Adam Kaprove

CORONAVIRUS TASKFORCE UPDATE

Hello from your Coronavirus Task Force,

We're happy to report that infection rates and severe cases of Covid-19 have significantly declined these past few weeks, and we're going to begin making changes to the Temple's health and safety protocols.

Traditionally, we have stayed about a month behind the rest of the region when it comes to altering our approach, and that's paid off with our ability to reopen and *stay* open where other organizations have had to open and close, sometimes several times. We did not observe a spike in cases when masks became optional for public spaces and schools last month, so now we're ready to take that step at TBH.

As of now, masks are optional for everyone inside the building. This applies to services, events, and meetings, as well as Religious School activities. However, **if you are not vaccinated**, we do **request that you wear a mask**. TBH will never ask you about your vaccination status, but we do recommend you **speak with your doctor** about it.

N95 and **KN95** masks protect the person wearing them, and these styles of masks are recommended by the CDC if you are immune-compromised, have other health risks, or if you've chosen to continue to wear one. And on that note, choosing to wear a mask is a personal decision. Regardless of your choice, it will be respected. We still have a small supply of N95's if you forget to bring your own.

In addition to updating our mask protocol, starting on **Friday, April 8th**, we can begin having **pre-wrapped food** provided to individuals indoors. Naturally, anyone preparing food in this manner should continue to make hygiene and cleanliness their top priority. Even though we will **keep the kitchen closed for now**, we're so grateful that this means our **Oneg and other observances involving food can once again be an indoor activity**.

We certainly encourage everyone to participate in our Temple community to the degree they are comfortable, but we recognize that you might want to attend virtually due to health concerns. TBH will continue to stream services via Facebook as we've done for many years. Please communicate with the Religious Practices Committee if you have any questions or concerns around virtual services.

Lastly, our next task force meeting in mid-April will be used to make further decisions around health and safety measures and we'll discuss food and kitchen usage. Please stay tuned for those updates. As always, we try to balance the needs of our thriving Jewish community with the well-being of our members, families, friends, and guests. Thank you for your ongoing patience as we work to support TBH from the task force. Please don't hesitate to ask us questions or provide feedback.

JOIN THE TBH BOARD

At Temple Beth Hillel, we've been blessed with an incredible congregation. A number of our congregants have volunteered their time at the Religious School, Sisterhood, Men's Club, and other organizations and committees. We thank you all. It is this support that makes TBH a great Synagogue.

It is the time for the Temple Board to find new members. We are looking for congregants with special interest or board experience or board inexperience, with traditional or transformative ideas; basically, we are looking for any congregant who wants to make a difference. We are looking for you.

As part of the Board, you will have a direct impact on how our temple is run. Your voice will be incredibly valuable as we manage our affairs.

Our current Board consists of the following Trustees:

| | |
|-----------------------|---|
| Adam Kaprove | President |
| Jeff Levin | Executive Vice President |
| Karen Groenstein | Disbursements Treasurer |
| Sharon Serow | Receipts Treasurer |
| Michael Skott | Immediate Past President |
| Marla Adelsberger | Secretary |
| Dianne Aborn | Vice President for Religious Practices |
| Sarah Kaprove | Vice President for Religious School |
| Helena Friedman | Adult Education and Programming Committee Chair |
| John Halpern | Cemetery Committee Chair |
| [vacant] | Development Committee Chair |
| Phil Maltz | House Committee Chair |
| Deb Halpern | Membership Committee Chair |
| Laura Soll-Broxterman | Social Action Committee Chair |
| Rebecca Chaimovitch | Youth Activities Committee Chair |
| Marcia Heneson | Sisterhood President |
| Scott Glick | Men's Club President |

The positions of Past President, Men's Club President and Sisterhood President are not voted on by the congregation. All others are voted on by the congregation. While you may show interest for any non-appointed position, the Nominating Committee has identified the following open positions:

Secretary

The Secretary shall take and record minutes of all meetings of the Congregation and the Board of Trustees, deal with all congregational communications, and be the custodian of the Congregation's seal.

Development Committee Chair

The Development Committee is responsible for fund raising for the temple.

We look forward to having you join the dedicated group of congregants that have allowed us to have a temple we can all enjoy.

Please contact the Temple office or Marla Adelsberger madelsberger@tbhsw.org (860) 668-5501 if you are interested in either of these positions or would like more information.

SOCIAL ACTION UPDATE

South Windsor's Co-Sponsorship of an Afghan Family

Within the coming two weeks, South Windsor expects to welcome an Afghan family to town! The South Windsor Refugee Alliance (SWRA), a community effort that includes Rabbi Jeff and Mindy, TBH's Social Action Committee, a number of Temple members, clergy, and other local residents, is working with IRIS-CT on a wide variety of elements related to housing, employment, education, healthcare, and much more.

We already have furnished an apartment for the family. When they arrive (and we know their sizes), we will ask for specific clothing *[Please note that any additional household items we receive including furnishing, linens, clothing, etc. will be donated to our Shema Partner, The Walk in the Light Church of God].*

We now are kicking up the call for:

TBH volunteers who can drive the family to appointments in the first months after they arrive. **Contact** [Laura Soll-Broxterman](#).

Individuals who speak DARI (not Pashto) who could help with occasional **interpretation needs** until the family is more conversant in English. **Contact** [Laura Soll-Broxterman](#).

Names of employers who would hire someone who doesn't speak English. **Contact** TBH member Emily Cobbs.

Our South Windsor planning group also is raising funds to help with the family's basic needs during the first months. This includes rent, food, utilities, transportation needs, and more.

To donate, please make checks payable to: St. Peter's Episcopal Church (SWRA in the memo line), and mail to: 99 Sand Hill Road, South Windsor, CT 06074. **To make a pledge, contact** TBH member [Dianne Aborn](#).

If you have questions, contact Rabbi Glickman Rabbi@tbhsw.org, or Laura Soll-Broxterman, LSoll@tbhsw.org.

Seeking Food, Funds & Small Washer/Dryer Combo, for Our Shema Tour Partner

If anyone has a small washer & dryer combo unit you are able to donate to our Shema Tour partner, The Walk in the Light Church of God, **please let us know**. It would be housed inside the church in Hartford's North End for cleaning of clothing and bedding for people who Archbishop Burke and his congregation support, especially those with little children.

Since hunger and poverty know no season, we continue to support the church's community by collecting food, \$10 gift cards, and lightweight outerwear.

You are welcome to bring donations of items to any indoor or service or event. Collection baskets and bins are ready for you. Or a Temple member can arrange to meet you if you want to directly give us items. **Needed most:** Nonperishable canned and boxed foods, baby formula/diapers, personal toiletries, household cleaning products. new or gently used winter clothing for adults and children.

As always, you also can make Monetary Donations toward our Temple's Social Action efforts and emergency purchases of food and other items:

Checks can be made out to *Temple Beth Hillel* and mail to the Temple.

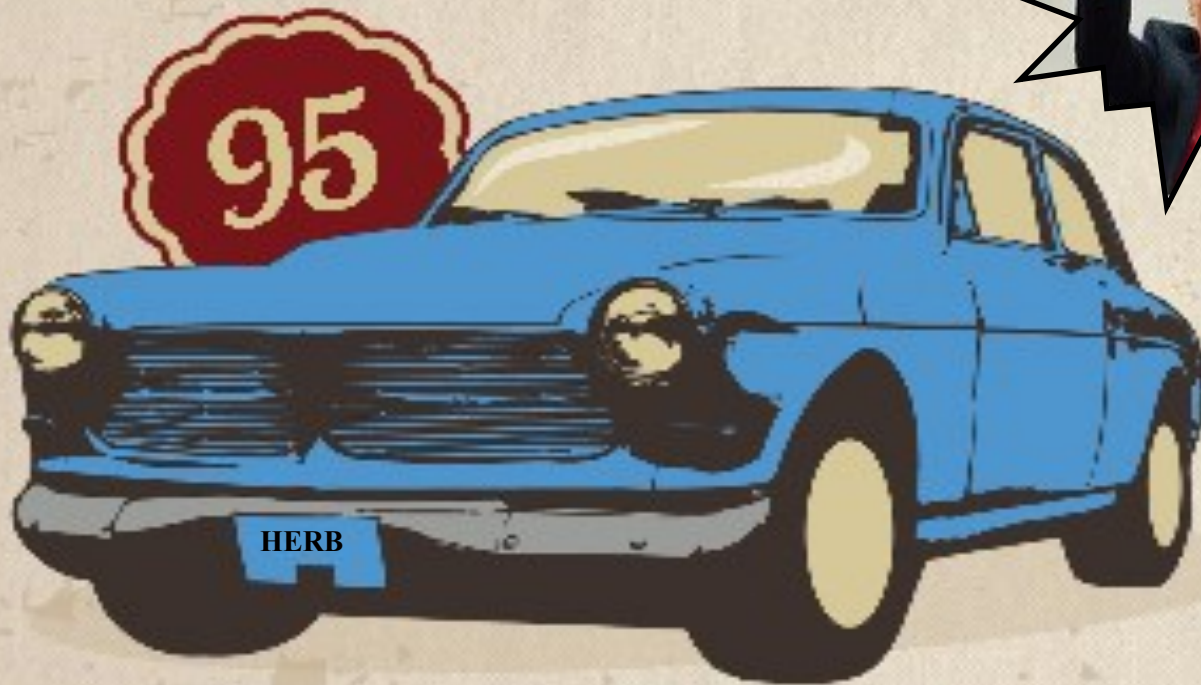

To Donate via Credit Card, call Lori in the office at 860-282-8466 Ext. 0.

RELIGIOUS SCHOOL UPDATE

What a wonderful Purim celebration we had, reading the Megillah and then a carnival. Many thanks to the students, madrichim, parents and clergy, and especially Mrs. Chaimovitch!

Students, Madrichim and Faculty as they presented their Chugim learnings and stories. Mrs. Karasik's class talked about Bar and Bat Mitzvah and showed us their bulletin board with lots of great detail and information. Mrs. Banks' class acted out a folk tale (with lots of special sound effects and silly voices) that they created about the importance of being grateful for what you have, especially with your family. Cantor's class shared how it's important, when storytelling, to include your audience to make it feel even more real to them. The Rabbi's Chug class focused on teachings, for example you may not be able to see God, but you can see the things that God has done or created all around you.

Registration for next year's Religious School is now open! If you have any family members or friends who would like to join next year, we would welcome new students whose families are, or will be, members of the congregation.

Why We Left a Legacy

Marla and Peter Adelsberger

Growing up at Congregation Beth Ahm, I always felt at home. That was my place in the world, as it was for my parents. When we crossed the river to join with Temple Beth Hillel, I found that sense of community here, too. We want to help ensure that coming generations will always have that opportunity, so Peter and I have committed our financial support to the Life and Legacy Program. We invite you to join us!

TORAH PORTIONS

TAZRIA—Leviticus 12:1-13:59— Leviticus 13 introduces the laws for diagnosing and quarantining lepers. Except in biblical calendar leap years, Tazria is read together with the subsequent Torah portion, Metzora, on the same Sabbath.

METZORA—Leviticus 14:1-15:33 —Leviticus 14 spells out the complex purification rituals for the cleansing of a leper and a leprous home. Leviticus 15 briefly covers the laws regarding ritual unfitness stemming from bodily emissions. Except in biblical calendar leap years, Metzora is read together with the previous Torah portion, Tazria, on the same Sabbath.

PESACH—Exodus 12:21-51—The reading tells the adventures of the Israelites as they leave Egypt, cross the Red Sea, receive miraculous provision in the wilderness and face their first battle.

SHEMINI SHEL PESACH—Deuteronomy 14:22-16:17—On the final day of Passover, which commemorates the crossing of the Red Sea, there is a custom to end the season of redemption with an additional, less formal seder. Called Se'udat Mashiach, this event focuses on the ultimate redemption and the messianic banquet that will take place in the future

ACHAREI MOT— Leviticus 16:1-18:30—The twenty-ninth reading from the Torah and sixth reading from Leviticus is named Acharei Mot, two words that mean "after the death." The title comes from the first words of the first verse of the reading, which say, "Now the LORD spoke to Moses after the death of the two sons of Aaron" (Leviticus 16:1). Leviticus 16 describes the Tabernacle ceremony for the holy festival of the Day of Atonement. Leviticus 17 establishes general rules for sacrifice and sanctuary. Leviticus 18 lays down specific laws about permitted and forbidden sexual relationships.
