

# HILLEL HAPPENINGS

## FROM THE RABBI'S STUDY

### Every End is a Beginning of Something Else

In my first message to the TBH newsletter when I arrived, I quoted the Israeli singer/songwriter Leah Naor's poem, here translated. I wrote about an agenda of listening to what each member holds dear, and I have heard and seen much in the past year. I wrote that "the function of TBH as, ביתנוס, a house of gathering, has been fulfilled in its best sense already as we not only joined in prayer and Celebration," but went beyond that to improve life for others outside our own "family" and that is still true.

What I have observed in the past year plus with you, for some, not all, is also a willingness to accept change as not only a possibility, but as a necessity in order to not only maintain the community that is TBH, but work to sustain in for the future. I will use the metaphor of a garden as my frame for what I feel this coming New Year demands of us in order to achieve greater sustainability.

First, we must take stock of all that we have, recognize what soil is fertile, and what has been overworked and is no longer able to support germination of new ideas and direction, i.e. new growth. We must take stock of the tools we have available to us, the skills and talents of our dedicated volunteers. We must then carefully curate what we will plant, being aware that a congregation is many things to many people. Some previous plantings have withered, and there has already been some weeding out of programs or activities that had little active support of our current membership. A garden contains plants that may begin small and appear weak, yet if they are given the right environment to grow and flourish, they not only provide us with a delight for the eyes, its produce will sustain us physically. Gardening is dirty work, yet no other hobby is as rewarding to me!

The ultimate garden for me is one that is constantly changing in response to the seasons and the resources available. Every plant will die eventually and, just as in our Jewish tradition, we acknowledge that our human bodies in time will no longer serve us alive but will sustain the vitality of the soil and plants for generations after we are dead, so too the garden. If we are willing to winnow out what is no longer strengthening us as a congregation and throw it on the compost heap of past successes, we will be ready for the next stage: working together, with accountability and transparency, to tend to the essential needs of our TBH garden, nurturing a community that has already grown in ways that are not always visible on the surface.

# President's Corner

TBH Family,

L'Shanah Tova and Chag Sameach! The new year is finally upon us and I hope this year finds your family both happy and healthy. Boy, is it a busy month here at TBH! From Rosh Hashana and Yom Kippur to Sukkot and Simchat Torah, it will be busy. Please be sure to look at the calendar to keep up to date with all the happenings here at TBH. I personally will be taking this time of year to reflect on what a whirlwind year it has been for my family and me.

This has been one of the most joyful as well as trying years for us. From celebrating our 20th wedding anniversary to losing the patriarch of our family, it sure has been a rollercoaster. But through it all, my TBH family has been here, supporting us and we cannot thank you all enough for your well wishes. I hope you and your family are also reflecting on this past year at this time of year and see the light through the clouds as well.

I am not going to spoil any more of my speech for the High Holy Days, other than to say, I hope you all have a sweet New Year, and that I see you all at Temple! As always, please make sure to reach out to myself or the board with any questions or concerns,

L'Shalom,  
 Jeff Levin  
 President  
 Temple Beth Hillel

# Religious Practices Committee Oneg Update

Dear Temple Family,

**As you all know, our Friday night Onegs are a wonderful way to reinforce our social connections and they are a vital part of our TBH community.** We are reorganizing the way that we plan for these Onegs in order to make sure that we have support throughout the year. For this, we need your help.

**In the past, we have assigned families to an Oneg date but, during COVID, this practice was suspended. Since services are back to being fully in person, we are returning to this practice with a few changes:**

**You may still choose an Oneg date that is the most convenient for you and you may also partner with other temple members to host that Oneg.** If you are planning to share an oneg with another temple family, please consider choosing two dates during the year to host, so that we may be able to cover all the dates on our calendar.

**If you do not want to choose a date, we will assign one to you. If the date that you are assigned is not convenient, you have two options:** either switch dates with another temple family or financially support an Oneg for \$54. You will still be acknowledged as the sponsor of the Oneg during services, but our office admin, Sam, will purchase items to be delivered to TBH that will be used for the Oneg. If this poses a financial hardship for you, please contact Rabbi Leah.

We hope that this new system will allow our Onegs to be provided for our temple family without issues. We thank everyone for supporting the Onegs for the past few years as we recover from COVID.

**Please click the link below to be taken to the Oneg Signup Genius so that you may select a date or dates that work best for you.** If you have already signed up for an oneg between now and the end of 2024, your name has been added to that signup and that date is still yours. If you are more comfortable having Sam sign you up for a date, please call him at 860-282-8466 and he will add you to the Signup Genius. **Please choose a date by November 1, 2024.**

**Oneg sign up:** <https://www.signupgenius.com/go/10C0A4CAEAD22A2F8C43-50853197-5785#/>

When your selected Oneg date approaches, you will receive an email from the office with instructions and all the information that you need for the evening.

If you have any questions or concerns, please contact

Rebecca Chaimovitch, VP of Religious Practices

Committee at [rjchaimovitch@tbhsw.org](mailto:rjchaimovitch@tbhsw.org).

Thank you for helping to support our Temple Onegs!

L'shalom,  
The TBH Religious Practices Committee

## October Social Action News

### TBH's High Holy Days Tzedakah for Connecticut Foodshare

Temple Beth Hillel has a long tradition of collecting food to feed hungry people in our communities.

**We encourage you to bring non-perishable boxed/canned foods when you come to any service and place it into our Lobby collection boxes for Connecticut Foodshare.**

Also welcome are checks of any amount written to:

**CONNECTICUT FOODSHARE.**

Monetary donations allow them to purchase exactly what is needed at the time

### OUR "CAN-DO" SOCIAL ACTION PROJECT

Temple Beth Hillel's first-ever Social Action bottle & can collection recycling event was a success...and lots of fun! What a great complement to our giant tag sale that same day.

Thanks to everyone who rolled up your sleeves to help – whether you did 2 hours, 4 hours or more. We appreciate the religious school students and adult volunteers for unloading, sorting and bagging almost 5,500 bottles and cans from members and the area community. Special thanks to the Breither family for advance logistics planning and driving the truck with collections to the redemption center.

We raised nearly \$700 and shared it between MACC Charities in Manchester and our Temple. We also invited MACC Charities to come at the end of the tag sale and gave them all the remaining clothing.

**Below is the nice message we received from the MACC Charities leadership:**

*THANK YOU THANK YOU THANK YOU for the amazing SUV load FULL of clothes from children up to adults' sizes to support our families utilizing the Community Threads Thrift Shoppe. Partnerships like yours make the work we do better for a community that finds themselves in true need during the economic challenges we are facing today. Thank you for always showing your support for a better tomorrow.*

## **THANK YOU! THANK YOU! THANK YOU!**

And many more thanks to all of the wonderful TBH members who volunteered their time to make our September 8 fundraiser event a success.

Without the 40 or more volunteers who unpacked, sorted, organized, moved furniture, sold, purchased baked, advertised, provided security, advised, donated and lent their hearts and hands in many other ways, our event could not have been a success. I am hesitant to list names out of fear that I might inadvertently forget someone...but you know who you are. <3 <3 <3

To date, we took in approximately \$3600, which includes a portion of the proceeds from the can and bottle drive. There is likely more to come, as several of our more valuable donated items were set aside to sell on line. If we find the right buyers, we may be able to add over \$1000 to our total!!!

The unsold clothing was re-donated to Manchester Area Council of Churches. The business clothing was re-donated to a southern Connecticut charity which focuses on re-entry into the workforce after a suicide attempt. Some items were given to Goodwill. The bulk of the remaining tag sale items were re-gifted to Walk in the Light of God Church, in the north end of Hartford. Archbishop Desmond Burke assures that people in need will benefit from these items.

Please contact Helena at [Helena.friedman@gmail.com](mailto:Helena.friedman@gmail.com) or 860-478-6188 to learn how you can help with our next fundraiser, a Craft and Vendor show scheduled to take place on Sunday, November 3 and from 12 PM to 4 PM. If you can't help, please be sure to shop!

We will have many amazing vendors and crafters who are selling delightful items. **Of note**, we have two vendors, sending selling **Judaica** many of these Jewish-themed items will make perfect

New Credit card payment option available on the TBHSW website! (with no fee for you or TBH)  
**What is Zeffy????**

## **Zeffy is your new best friend!**

It is a credit card payment system where the temple, as a nonprofit, does not get charged the credit card fee! This system has the potential of saving our synagogue thousands of dollars!

### **Who can use Zeffy?**

Zeffy can be used by anyone with a valid credit or debit card

### **What can Zeffy be used for?**

Zeffy can be used for one-time payments, such as a donation, purchases at the tag sale, bake sale, raffle and at any event where a fee is being charged. This payment system can also be used to make periodic payments.

When using Zeffy, please be sure to provide a note explaining the specific purpose of your payment i.e. dues/fees, general donation, a donation towards a specific fund, etc.

### **Where can I find Zeffy?**

1. Go to the [www.tbhsw.org](http://www.tbhsw.org) website.
2. Select the "donate" page.
3. From the donate page, review the 3rd option and click on the word "Zeffy".
4. You should be sent to a page that asks for the amount of your donation, the purpose of the donation and your credit card information.
5. At any TBH event where you will be making a purchase (like at the tag sale), a "tap and pay" option will be available.

### **How does this work?**

It works just like any other online credit card payment system. The only difference is that TBH does not get charged a fee, which is a huge savings to the synagogue.

### **Are there any fees to the credit card holder?**

**When making a payment from the TBH website, you are asked to contribute 17%-22% or "Other."**

**You do not have to make this additional contribution. This fee goes to the credit card company, not to the synagogue. Select "other" and enter \$0 to avoid this fee.**

**TORAH PORTIONS**

Parashat Ha'azinu [Deuteronomy 32:1-32:52](#) In Ha'azinu ("Listen"), Moses recites a poem praising God and criticizing the sins of the Israelites. He describes the misfortunes that the Israelites will face and the damage God will ultimately wreak on their oppressors. The portion ends as God commands Moses to ascend Mount Nebo, where he is to die.

Yom Kippur 2024 Day of Atonement

[Chol HaMo-eid Sukkot](#) Moses said to the Eternal, "See, You say to me, 'Lead this people forward,' but You have not made known to me whom You will send with me. Further, You have said, 'I have singled you out by name, and you have, indeed, gained My favor.'" - Exodus 33:12

Parashat Bereshit [Genesis 1:1-6:8](#) Bereishit ("In the Beginning"), the first parashah in the annual Torah reading cycle, begins with God's creation of the world. The first people, Adam and Eve, eat from the Tree of Knowledge and are banished from the Garden of Eden. Their elder son, Cain, kills their younger son, Abel, and Cain is destined to a life of wandering.
